

MASON TRACT

POINT-TO-POINT RENDEZVOUS

From the Cross Country Ski Headquarters event page:

<https://www.crosscountryski.com/saturday-feb-6th-mason-tract-point-to-point-rendezvous/>

Join us in a point-to-point ski tour of our beloved local trail, the Mason Tract Pathway. This groomed (classic only) nine-mile, intermediate level trail winds along an undeveloped stretch of the AuSable River. The pristine landscape is beautiful, and skiing through it is a quintessential Northern Michigan experience.

Participants meet at XC Ski HQ at 8:30am for check-in, then depart at 9:00am to spot cars at the southern trailhead, and continue to the northern trailhead to begin the adventure! Skiers can rest and refuel halfway through, where lunch and a bonfire await. When finished, head back to XC Ski HQ for a celebratory beer or glass of wine. Cost is \$45, and includes car-spot service, bonfire and lunch on the trail, post-ski beer or wine, and commemorative shirt.

***DISCLAIMER: This is an unassisted, unguided trip. Due to the technical and unpredictable conditions of this trail, only experienced skiers are permitted to join.**

RESERVATIONS ARE REQUIRED AS SPACE IS LIMITED – SIGN UP BY CLICKING HERE,

<https://www.crosscountryski.com/product/mason-tract-rendezvous-registration/> OR CALL 800-832-2663.

(Limit of 25 people, as of 12/12/20 13 people registered.)

GGRSC Members “sign up” on GGRSC website but **MUST** register and pay for event on the EVENT page above as spaces are limited by the Cross Country Ski Headquarters.
