These are great trips to bring new and young friends and family to introduce them to our club. We have scheduled 16 park and rides on different days. If you would like to be on a special email list so you get a reminder about park and rides, please send an email to me so you will be included on our special trip list for skiers looking for a good time. shirleyjnevins@gmail.com We may add some spur of the moment trips when we see good weather conditions and openings in our schedule. NOTE: If you see a double star ** in front of the location that means that is a park and ride tag on trip. These events are park and rides that tag on to one of our overnight trips. If you are a non-member or a member who wants to just ski for the day, these are great trips for you. This is a new wrinkle to our park and ride trip system this year. We are offering more midweek overnight trips this coming season. We may need your help with the carpool lot pick up if Shirley is on the overnight.
