## DECEMBER AND JANUARY SKI EVENTS

page 1

Welcome to the 2022-2023 Ski Season for the Greater Grand Rapids Ski Club. We listened to our members and some of their wishes and tried to incorporate some of those ideas to offer an exciting season of downhill skiing and snowboarding with a great variety of ski areas in Michigan and Canada along with our wonderful out of state trips and the European Adventure. We are offering some new trips this year staying at a variety of lodging spots. We have also scheduled some small group trips and more midweek overnight trips. We are going to continue offering our popular park and ride carpool trips on different days as they are a good way to add new members to our club. You will see a new wrinkle with some of these park and rides marked with \*\* and Tag On Day. These trips are opportunities to come up for a one day carpool trip but tag on to some of our trips with members who are on an overnight experience. Join us for some GGRSC fun this year !
