## Serre Chevalier

## Amalfi Coast

The Europe trip for 2023 brings us to Serre Chevalier France. The area boasts 300 days of sunshine and plenty of snow. The ski area has 59 lifts and services runs that are 80% beginner to intermediate, and lots of accessible open bowls for free riding. Additional Italian ski areas within a 30 minute bus ride.

The local area provides many options for day trips away from the slopes. The historical walled city of Briancon steps you back to medieval times with narrow streets to explore restaurants and pubs. In nearby Le Monétier les Bains thermal baths and saunas are a must. Catch the sun set behind the mountain from the outdoor pool or submerge yourself in the music grotto to listen to soothing music in a warm pool

The Amalfi coast of Italy is located an hour south of Naples. We will fly from Milan to Naples, then bus over the mountain to Minori. We will be staying in the 4 star hotel Villa Romana.

An optional day trip to the ancient city of Pompeii is in the planning stage for an additional cost. Other interesting day trips are available in the area.
